Premium 5 kw package

- 20 Premium Solar panels
- Hi-efficiency Inverter
- Battery extendable
- Micro-Inverter optional

The image displays a 'Premium 5 kw package' for solar energy. On the left, there is a stack of blue solar panels and a silver inverter. To the right, four blue callout boxes with yellow arrows point to the following features: '20 Premium Solar panels', 'Hi-efficiency Inverter', 'Battery extendable', and 'Micro-Inverter optional'. Each feature box is accompanied by a circular 'WARRANTY' seal.

An advertisement for Certegy ezi-pay. The background is orange with a white cloud-like shape. At the top left is the Certegy ezi-pay logo. In the center, it says "shop today PAY OVER TIME" in large white letters, followed by "no interest ever! payment plan" in smaller white text. At the bottom, there is a small illustration of a house on a green island in a blue sea. A circular badge at the top right says "APPLY ONLINE TODAY". At the bottom left, it says "Terms, conditions, fees and charges apply".
